Pittsburgh, PA 15234

MINUTES of the Pre-Agenda Meeting of the Township Commissioners

Monday, June 28, 2021

7:00 p.m.

****Due to COVID-19, the June 28, 2021 Pre-Agenda Meeting of the Township Commissioners will be held via ZOOM. Meeting ID: 381 904 7124**

Commissioner Frisoli called the meeting to order at 7:00 pm.

Roll call found Commissioners Downey, Fredrick, Frisoli, Pellegrino and Taylor (via Zoom) present. Also present were Manager Nina Belcastro, Engineer Glenn Jonnet, Police Chief Terry O'Brien and Solicitor Tom McDermott.

Points of Discussion:

1. Speed abatement on township streets – Engineer will look into cost and development of permanent speed humps, including best practices of installation and location. Manager will talk with PW Supervisor about removable speedbumps.
2. Eliminating truck traffic on township streets – There is an 18k lb. weight limit currently in place for trucks in the Township – to be noted – buses and some deliveries are considered exempt. There are weight and safety exemptions that would allow limitations. However, road studies and engineer approvals would be necessary prior to implementing any new restrictions. The Township has certain designated roads with weight limits. Engineer will look into this issue further.
3. Marketing our police Department – tabled for later meeting
4. Authorization to hire additional police officer – tabled for later meeting

Manager's Report: Manager read her report and received authorization to advertise for an administrative assistant.

Solicitor's Report: Read his report.

Engineer's Report: Engineer updated Board on Jet Jack.

Upon Motion by Pellegrino and second by Taylor

Resolved to approve progress payment to Jet Jack as recommended by the Township Engineer.

Engineer updated Board on 840 Rolling Rock property – Currently working on O&M Agreement. Gateway has been contracted by property owner to work on SWM Agreement.

Upon Motion by Downey and second by Pellegrino

Motion to Adjourn at 8:41 pm.

End of minutes

Nina Belcastro

Secretary/Manager
