**Points of Discussion:**

None.

**Engineer's Report:** Engineer reported that he attended the Consent Order meeting last Thursday. The Township is almost finished with the due diligence report. We recently submitted our first annual report. At the Consent Order meeting, Engineer discussed TMDL with PWSA representative about project completion and qualification of possible projects. A letter will need to be sent to the DEP regarding the credits in questions. There is a project on Crane Avenue that we should be able to join for necessary credits. Lisa Brown at Saw Mill Run is to coordinate a meeting with the DEP to ensure that these credits are applicable.

Lastly, Engineer and Manager will look into possible necessary changes to handicap parking signage throughout the Township.
