REMINDER FROM BALDWIN TOWNSHIP POLICE DEPARTMENT

KEEP HOUSE AND CAR DOORS LOCKED AT ALL TIMES!

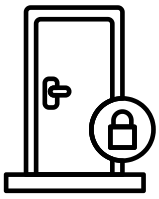
TIPS ON HOW TO AVOID BREAK-INS:

HOME BURGLARIES

- Make your home look occupied, and make it difficult to break in.
- Lock all outside doors and windows before you leave the house or go to bed.
- Keep your garage door closed and locked.
- Check your locks on doors and windows and replace them with secure devices as necessary.
- Never leave keys under doormats, flowerpots, mailboxes, or other "secret" hiding places -- burglars know where to look for hidden keys.
- Don't share your vacation plans on social media.

CAR BURGLARIES

- Do not leave valuables in plain view: (GPS devices, laptops, cell phones, MP3's, wallets, purses)
- Do not leave windows or sunroof open.
- Do not leave doors unlocked.
- Do not leave keys in the vehicle.



VACATION HOME CHECKS

Trips out of town and vacations are meant to be relaxing. Let the Baldwin Township Police Department know your plans and you can travel knowing a trusted friend is watching your home. Periodically, a uniformed officer will conduct extra patrols of the area and perform a walk around of the property. Anomalies are noted and the home owner is notified of the suspicious activity. To schedule, contact the police department at **412-341-5937.**

In addition to the home check, residents can take a few simple steps to protect their property. Only tell those who need to know about your travel plans. Make arrangements to stop your deliveries, or have someone tend to them in your absence. Most importantly, never post vacation photos or make comments about being away from home on any social media sites or in voice mail messages; save your postings until you have arrived back home.

Looking to get away or explore PA? Stop by my office for a FREE Pennsylvania Travel Guide

One of the great things about our commonwealth is the wide range of experiences and adventures available in every corner of our state. From the shores of Lake Erie to Independence Hall in Philadelphia, each region has a unique story to tell and unique attractions that allow visitors to explore the Keystone State, not to mention the thousands of small towns – each with their own character and identity.

To help you explore our state, my district office (650 Washington Road, Suite 102 in Mt. Lebanon) has free Pennsylvania Travel Guides available, so please, stop by and pick one up!

These 120-page booklets have a wealth of information and suggestions covering every corner of our state. Whether it's a simple day trip up Route 79 to McConnell's Mills, an overnight trip to Raystown or State College, or a multi-day family vacation to explore the Poconos, this booklet is full of interesting and fun suggestions for everyone.

One of the wonderful things about our state is you don't have to drive too far to find something interesting, either. Many of our main streets and small towns, world class restaurants and bars, renowned historical sites, thrilling outdoor recreation, and top tier events and sports can be experienced in an easy day trip, especially in our own backyard of Allegheny County.

To help highlight what our state has to offer, this year Governor Josh Shapiro kicked off a new tourism marketing campaign, called 'Pennsylvania: The Great American Getaway.' It includes a revamped visitpa.com, which if you're looking for ideas is a great place to find regional guides and suggestions.

But all of this stretches far beyond our borders.

Tourism is a powerful engine that drives our state's economy and benefits our communities, small businesses, and hundreds of thousands of Pennsylvanians across the Commonwealth every day. According to a recent state report, in 2022 tourism generated over $76 billion for our state's economy and supported more than 486,000 jobs across the commonwealth, with 192.4 million visitors exploring our state. Overnight visitor spending alone increased by $4.8 billion, with more than 66 million trips resulting in $28 billion in spending.

So please, explore our state, and stop by my office for your travel guide – and plan your Great American Getaway (even if it's just for an afternoon). And remember, if you have any questions or need assistance with this or any other state program, service, or resource, please call my district office at 412-343-3870.
